

What you'll need to arrange Life Cover.

To make the process of applying for Life Cover easier for you, policies can be arranged over the phone. This guide outlines what you'll need to have to hand for your application, whether you've arranged a call back or you'd like to call us free on **0800 916 6840**.

Have you requested a call back?

Date:

Time:

What we'll ask about ...

- Your general health
- Your lifestyle, for example smoking habits
- Activities you participate in, for example any hazardous sports or pastimes
- Occupation
- Medical history
- Family's medical history - this will include your parents, brothers and sisters only.

Please note:

- A call to arrange single cover takes approximately thirty (30) minutes
- Arrange cover for a couple will take approximately one (1) hour.

Rearrange your call back

To reschedule your appointment simply call us free on **0800 916 6840**.

What you'll need ...

- Your height and weight measurements
- Details of any medication or treatment you are currently taking
- Your bank account details
- Your doctor's name, address and telephone number
- Details of previous operations or medical conditions
- Details of serious conditions your parents, brothers or sisters have experienced before their 65th birthday. We'll need to know the name of the condition and the age at which it occurred.

The application process

1. You'll be taken through the application process.
2. It will be confirmed whether your application has been accepted and what will happen next.
3. A Confirmation Schedule confirming the answers you've given will be sent and request that you submit any amendments within 14 days. It's important you check this carefully as it forms the basis of your contract.
4. If not already completed, a declaration will be sent to you. Please read this, sign and date it and return within 21 days.
